CODE OF CONDUCT FOR PARENTS/CARERS

Child safety is paramount, to ensure that this is always upheld we ask parents agree to the following.

- 1. Parental presence on the beach.** During beach sessions, all children under the age of 13 years must have a responsible adult present on the beach at all times.
- 2. Clothing.** Children may only participate if they are wearing appropriate clothing. Eg. Wetsuits. Children get cold very quickly. Wetsuits must be well fitting and in good condition to keep them warm in the water. We cannot assist with dressing and undressing before and after sessions. Please ensure that if your child requires help you are there to assist them.
- 3. Timing.** The beach session times are clearly stated on the website. Parents must collect their child at the appropriate times when their session has finished. We cannot be responsible for children who are left waiting for parents at the end of a session.
- 4. Encourage fair play and enjoyment.** We believe that playing fair and enjoyment are very important. Parents must support this belief by encouraging their child/children to learn the rules and play by them, to support others whatever their abilities. In competition parents must accept the decision of officials and not argue with them. Improper language will not be tolerated.
