Surf Life Saving + Triathlon Club

Dear Member

Membership renewal night

Date:	**Monday 5th October 2015**
Time:	**18:00 to 20:00**
Location:	**Falmouth School, Trescobeas Road, Falmouth**

As previously notified the Committee has reviewed the current fee structure which has previously consisted of an annual membership fee and the weekly collection of subscriptions at sessions.

After consultation and feedback, from 1 October 2015 this system will be replaced by a **single annual fee of £120** across all categories (Nippers, Youth, Senior and Masters) which will cover the membership fee and ALL training sessions (pool, beach, turbo etc), therefore, there will be no further collection of subscriptions at any session attended.

Members will have the option of paying the full amount up front or by way of 3 instalments of £40, one at the membership evening followed by payments on 1 January 2016 and 1 April 2016 by way of postdated cheques which will be collected at the membership evening.

In order to partake in training sessions or access any equipment at the club you need to be a member for the very important reason that you, or your child(ren), are not insured otherwise.

Therefore, memberships must be renewed before you return to the pool sessions which commence on the 9 & 10 October 2015.

After feedback, we are also reintroducing an annual associate/supporters membership of **£30**. This fee will allow people who are not intending to train or compete for the club to still become involved and support the club as a social member only; however, you will not be insured by SLSGB.

Finally, any existing members who have not renewed by 31 October will be assumed as not wishing to renew for the forthcoming year 2015/16, and your future membership position will no longer be guaranteed. Any membership spaces available after 31 October will be offered to those currently on the waiting list. Therefore, if you subsequently renew membership after 31 October a space may not be available. In addition any persons who have been a member of the club in the preceding 12 months will be required to pay the full membership fee of £120, regardless of when the renewal is undertaken.

We look forward to seeing everyone on Monday 5 October and wish everyone a happy and successful 2015/16 season.

Regards,

Gylly SLSC Committee
